Dear All,

Thank you for contributing to the completion of an Annual Social Compliance audit conducted by Insync Global behalf of Fanatics. We hope this email finds you all well.

Immediately following an audit, we like to schedule a call with our suppliers in order to talk about the audit itself, and any details that might not appear in the reports. In addition, we like to cover the specifics of our Remediation Process; Fanatics likes to ensure its suppliers see remediation as a collaborative process, and that the expectations for improvement are clear. Would you be available to connect with me next week?

Would **Tuesday, January 19th** or **Wednesday, January 20th** at 3pm or 4pm local time in **Bangladesh** be convenient?

I have also attached the Summary of Findings here for your reference. Please advise, and I will send you a calendar invite for the call once confirmed.

All my best,
Dilay
